

All You Said

Hugh Coltman

Sometimes itâ€™s best not to worry
Take your time and not to hurry
All youâ€™ve said vicious little words
That you didnâ€™t really mean

Itâ€™s a wonder we have lasted
Teenage boys all boxing shadows
All you said
Silly little words
That you didnâ€™t really mean

All you said
All youâ€™ve done
Itâ€™s not your fault
No youâ€™re not the one
Itâ€™s hard to love someone
When you donâ€™t know how
How to love yourself

I donâ€™t know what I expected
From someone thatâ€™s been so neglected
All you said
Whacky little words
That leave splinters on your tongue

All you said
All youâ€™ve done
Itâ€™s not your fault
No, youâ€™re not the one
Itâ€™s hard to love someone
When you donâ€™t know how
How to love yourself
