I Got The Goods

Lady Sovereign

Oh, it's medicine administered by a doctor
Lady sovereign
I got it good, good, good, good
I got it goin' on
I got it good, good, good, good
I got it goin' on
I got the goods, goods, goods, goods
I got it goin' on
I got it good, good, good
I am a top notch bitch, my banter is the shit
I know my jeans don't fit but I mean big business
No, I don't throw left jokes 'cause I write big right hooks
You might just catch my looks up on my facebook
Wanna be my friend, wanna be my friend
The amount of requests that people send
I can second guess that this won't end
Oh fuck, hooray it's you again
I got it good, good, good, good
I got it goin' on
I got it good, good, good, good
I got it goin' on
I got the goods, goods, goods, goods
I got it goin' on
I got it good, good, good, good
I got it goin' on
What you want from me?
Ya, I got what you need
What you want from me?
Ya, I got what you need
What you want from me?
Ya, I got what you need
What you want from me?
Ya, I got what you need
You want me for my pennies
You want me for my dimes
You want me for my Henries
You want me for my rhymes
I won't be fooled by dick heads
I won't be fooled by lies

I won't be friends with clingons
I'll spray lemon in ya eyes
I got it good, good, good, good
I got it goin' on
I got it good, good, good, good
I got it goin' on
I got the goods, goods, goods, goods
I got it goin' on
I got it good, good, good, good
I got it goin' on
What you want from me?
Ya, I got what you need
What you want from me?
Ya, I got what you need
What you want from me?
Ya, I got what you need
What you want from me?
Ya, I got what you need
Is it a bird? Is it a plane?
Na, it's the biggest midget in the game
I know you know my name
I know you know my name
Is it a bird? Is it a plane?
Na, it's the biggest midget in the game
I know you know my name
I know you know my name
Have you heard I'm insane?
I'm the biggest midget in the game
I know you know my name
I know you know my name
I'm the monkey you couldn't tame
I'm the biggest midget in the game
I know you know my name
I know you know my name
I got it good, good, good, good
I got it goin' on
I got it good, good, good, good
I got it goin' on
I got the goods, goods, goods, goods
I got it goin' on
I got it good, good, good, good
I got it goin' on
