

23 (feat. Miley Cyrus, Wiz Khalifa & Juicy J)

Miley Cyrus

[Hook: Miley Cyrus]

I'm in the club high off purp with some shades on

Tatted up, mini skirt with my J's on[Juicy J x2]

J's on my feet

J's on my feet

J's on my feet

So get like me[Verse 1: Miley Cyrus]

I be in the club standing on the couch

In them Wolf Greys like it's my house

Drinking out the bottle, I got no respect

Looking like a model, who just got a check

I back it up, cause I don't give a damn

If you're a lame, that's a shame you can't hang with us

I'm MC Hammer fly, you can't touch

J's so fly I should work at Flight Club

[Bridge: Miley Cyrus]

Put on my J's and dance the whole night away

I'm naughty by nature like I'm hip-hop hooray

With my hands in the sky, I wave 'em from side to side

My feet on the floor, I'm about to turn up now[Hook: Miley Cyrus]

I'm in the club high off purp with some shades on

Tatted up, mini skirt with my J's on[Verse 2: Wiz Khalifa]

I be rockin' J's or

I be rockin' Taylors

I got lots of flavors, my kick game is major

More kicks than the players, call me up I'm scorin'

Hit it like a free throw, tongue out like I'm Jordan

Smiley, Miley, come swing the thing right by me

Gotta a joint if you wanna get stoned, got choppers if they wanna try me

Pro athlete I'm not no wannabe

Waitress asked how many bottles? I said 23

[Bridge: Miley Cyrus]

Put on my J's and dance the whole night away

I'm naughty by nature like I'm hip-hop hooray

With my hands in the sky, I wave 'em from side to side

My feet on the floor, I'm 'bout to turn up now[Hook: Miley Cyrus]

I'm in the club high off purp with some shades on

Tatted up, mini skirt with my J's on[Verse 3: Juicy J]

I stay showin' out, my kick game is a beast

I got thirty pair of J's that ain't never been released
Flu game twelve, Space Jam 11
On the hype beast sick, they gon' need a paramedic
Turn up, turn up, turn up, I get trippy, I stay live
All this purple in my cup, match them grape 5's
I'm so high, I got three bitches that go bi
I'm so fly, I'm gettin' head like a blow dryer[Bridge: Miley Cyrus]
Put on my J's and dance the whole night away
I'm naughty by nature like I'm hip-hop hooray
With my hands in the sky, I wave 'em from side to side
My feet on the floor, I'm 'bout to turn up now[Hook: Miley Cyrus]
I'm in the club high off purp with some shades on
Tatted up, mini skirt with my J's on....
