Inside Your Painting

Patty Larkin

I'll take your days
I'll take your darkest days
I'll take your days
I'll take your dark daysAnd inside your painting
There I'll be
Inside your painting
I'm cadmium yellow
I'm walking across the greenI'll take your days
I'll take your darkest days
I'll take your days
I'll take your dark daysAnd inside your painting
Is a blue trapeze
Inside your painting
You're playing harmonica
I'm reading eroticaThe sky is vermilion
The sun is sienna
Another chartreuse day
The landscape is shimmering
Outside of Vienna
Doing a tour jeteI'll take your days
I'll take your darkest days
I'll take your days
I'll take your dark daysAnd inside your painting
Is Henri Matisse
Inside your painting
We're living in France
And I'm fond of your fantasies
