

I Want to Be on T.V.

Green Day

Want to be a pretty boy
Want to go on Solid Gold
Want to date a millionaire
Want to make people stareI want to be on T.V.
Want people to know me
I want to be on T.V.
Started out in sixty four
Gonna be an omnivore
Want to make people dance
Gonna take off my pantsOn a magazine
Gonna have some free cocaine
Want to wear my Calvin Kleins
Then the world will be all mine
