Heartbreak

Clubfeet (feat. Chela)

It's all because of you, I'm feeling sad and blue
Everybody thinks of me as a player
Got 'em going up and down like elevators
Wish they only knew but they don't know
I got some friends but we just cool, she's just a friend
All the girls only hear the worst about me
I do my thing but I don't mean to hurt nobody
That's just how I do, that's how I do
But this one chick cut right through
Never had a heartbreak, heartbreak
No way, no way, not me, not me
She's officially the first to say
No, no, woah, woah, oh, oh, no, no
Never had a heartbreak, heartbreak
No way, no way, not me, not me
She's officially the first to say
No, no, woah, woah, oh, oh, no, no
It's all because of you, you did it
I can't even lie, I kinda had some feeling
But when she talked to Tiffany, she hit the ceiling
And then she ignored me, no girl has done me this way
If I'm a playa then why do I feel this pain
I wish I never fell for her, my first heartbreak
Congratulations, you stole my heart away
Never had a heartbreak, heartbreak
No way, no way, not me, not me
She's officially the first to say
No, no, woah, woah, oh, oh, no, no
Never had a heartbreak, heartbreak
No way, no way, not me, not me
She's officially the first to say
No, no, woah, woah, oh, oh, no, no
Break it down Patrick
She couldn't take no more
She said she gotta go
But she doesn't even know
But any Minnie, miney, moe
She left me at the door
Through up the whole show?

I keep it on the low
Now everybody know
She couldn't take no more
She said she gotta go
But she doesn't even know
But any Minnie, miney, moe
She left me at the door
Through out the whole show
I keep it on the low
Now everybody know
Never had a heartbreak, heartbreak
No way, no way, not me, not me
She's officially the first to say
No, no, woah, woah, oh, oh, no, no
Never had a heartbreak, heartbreak
No way, no way, not me, not me
She's officially the first to say
No, no, woah, woah, oh, oh, no, no
Never had a heartbreak, heartbreak
No way, no way, not me, not me
She's officially the first to say
No, no, woah, woah, oh, oh, no, no
Never had a heartbreak, heartbreak
No way, no way, not me, not me
She's officially the first to say
No, no, woah, woah, oh, oh, no, no
