

Wide Eyed Girl

Eurythmics

She was a wide eyed girl
In a purple dress
She could have been good
She could have been the best
Shy little girl
When it came to the test
Wow oh
She was a cut above the rest
She was a wide eyed girl
With teased up hair
She could have had money
But she didn't care
She was lookin' for you daddy
Never there
Lookin' for you daddy
Oh yeah yeah
Wide eyed girl
Wide eyed girl
Wide eyed girl
Wide eyed girl
She was a wide eyed girl
Of a tender age
Just movin' out of her
Sensitive phase
She said
"I love you baby it's for always
And I don't care

What the teacher says"
When she walked out
Through the streets of Rome
All of the Italians
Wanna take her home
All the brown little babies
With the slicked back hair
Sayin', "Prima amore"
Wow
I'm sayin' somethin'
Are ya listening to me?

Don't you walk away when I'm
Communicatin' with you
(Wide eyed)
She's goin' clickin' clackin'
Down the road
In them high heeled shoes
(Wide eyed)
Oh, oh no
(Wide eyed girl)
Mona Lisa
Wide eyed girl
Wide eyed girl
Wide eyed girl
...
