

# Songs of Experience

**Richard Ashcroft**

Look at your life  
Who's shining on you?  
You've got a lot of things going on  
Open your mind  
Can't you see what is new?  
The world is changing  
Are you moving on? Ah-ha You're like me (you're like me)  
You can flip in a second (oh oh oh)  
Step into rage what d'you reckon? (oh oh oh)  
Serenade or use a weapon  
You're like me (you're like me)  
Your scars are like your badges (oh oh oh)  
Climb up into these branches (oh oh oh)  
I guess that's the way your life is  
Ooh-ooh, how do you know these things?  
She said 'ooh ooh, how do you know these things?'  
Cause these are songs of experience baby  
Songs of experience (oh oh oh)  
Songs of experience baby (oh oh oh) Don't be afraid (don't be afraid)  
Fear does you no good  
It will take you for all you own  
And look at those stars  
Do they still shine on you?  
The world is changing  
It's a-moving on, Ah-ha  
You're like me (you're like me)  
You can flip in a second (oh oh oh)  
Step into rage what d'you reckon (oh oh oh)  
Serenade or choose a weapon  
You're like me (you're like me)  
Your scars are like your badges (oh oh oh)  
Climb up into these branches (oh oh oh)  
Tell me where I'm lacking Ooh ooh, how do you know these things?  
She said 'ooh ooh, how do you know these things?'  
Cause these are songs of experience baby  
Songs of experience (oh oh oh)  
Songs of experience baby, oh oh oh-oh  
Cause these are songs of experience baby (baby)  
Oh-oh (all right)

Songs of experience baby (baby)  
Songs of experience (all right)  
These are songs of experience baby (baby)  
Songs of experience  
Songs of experience baby (baby)  
(Oh my my my my my)
