Body Moves

DNCE

[Intro]
Ow
Hey
That's right
Oh[Verse 1]
Side by side
Walking home, stumbling home, getting curious
What's on your mind?
Cause what's on mine's a dirty mind
Why so serious?[Pre-Chorus]
Baby the stars above will light the way
Just take my hand and hear the words I say
Yeah, when the morning comes, I'll always stay
You gotta know, you gotta know that I'm feeling this, ow[Chorus]
Coming home with me, we'll rock them body moves
Me and you (oh, just a little bit)
Body moves (yeah, just a little bit, ow!)
Coming home with me, oh baby, let it loose
Me and you (oh, just a little bit)
Body moves (yeah, just a little bit)
I don't need it, but you know how bad I want it
And your touch has got me haunted, but I li-i-ike it
Coming home with me, we'll rock them body moves
Me and you (oh, just a little bit)
Body moves (yeah, just a little bit)[Verse 2]
Got all night
Show me more, a little more, it's getting scandalous
Yeah, all my life, yeah
Waiting for the girl next door to get real dangerous[Pre-Chorus]
Baby the stars above will light the way
Just take my hand and hear the words I say
Yeah, when the morning comes, I'll always stay
You gotta know, you gotta know that I'm feeling this, ow[Chorus]
Coming home with me, we'll rock them body moves
Me and you (oh, just a little bit)
Body moves (yeah, just a little bit, ow!)
Coming home with me, oh baby, let it loose
Me and you (oh, just a little bit)
Body moves (yeah, just a little bit)

I don't need it, but you know how bad I want it
And your touch has got me haunted, but I li-i-ike it
Coming home with me, we'll rock them body moves
Me and you (oh, just a little bit)
Body moves (yeah, just a little bit), ow[Refrain]
Ha, that's right
Haha[Bridge]
Yeah, when the morning comes, I'll always stay
You gotta know, you gotta know that I'm feeling this
Ow[Chorus]
Coming home with me, we'll rock them body moves
Me and you (oh, just a little bit)
Body moves (yeah, just a little bit, ow!)
Coming home with me, oh baby, let it loose
Me and you (oh, just a little bit)
Body moves (yeah, just a little bit)
I don't need it, but you know how bad I want it
And your touch has got me haunted, but I li-i-ike it
Coming home with me, we'll rock them body moves
Me and you (oh, just a little bit)
Body moves (yeah, just a little bit), ow
