Lonely

Medina

I can never forget

The way you held your arms around me

I guess I have to admit

I was afraid to end up lonelyCan't imagine life without you

Cause I don't wanna have another lover

Yes I adore you

But I won't be coming backDid it make you feel good to see me hurt

To see me hurting

Happy to see you broke me first

Hey baby do you believe

You gave me what you thought I deserve

Do you believe you conquered whatAre you lonely

I hope you're feeling lonely

Baby are you lonely

I hope you're feeling lonelyHow could you forget

I was the one you kept on blaming

You said I made you upset

It wasn't true what you were claimingAnd there will be no regrets

This time I think I leave you hanging

No there is no longer you and I you and I

Cause you later ground stranded

So tell me babyDid it make you feel good to see me hurt

To see me hurting

Happy to see you broke me first

Hey baby do you believe

You gave me what you thought I deserve

Do you believe you conquered whatAre you lonely

I hope you're feeling lonely

Baby are you lonely

I hope you're feeling lonelyHey, for leaving me

Leaving me

For leaving me

Leaving meLea, Lea, Leaving me

Lea, Lea, Leaving me

Lea, Lea, Leaving me

Lea, Lea, Leaving meAre you lonely

I hope you're feeling lonely

Baby are you lonely

I hope you're feeling lonelyAre you lonely

So tell me
Baby are you lonely
Baby are you lonelySo tell me
Baby are you lonely
Baby are you lonelyFor leaving me
