

Place of Worship

[Marvin Sapp](#)

Go find your place of worship
Look into your pain and find your praise
Every low place in your life
Prepared you for your hard place
Every tear you cried is water for
The garden of your victory And even though you're in the valley,
Victory comes through your adversity
Go find your place of worship Go find your place of worship
Look into your pain and find your praise
Every low place in your life
Prepared you for your hard place and
Every tear you cried is water for
The garden of your victory(x3)
And even though you're in the valley,
Victory comes through your adversity Go find your place of worship Worship, I found my mine
Now I can say: Holy, Holy
Holy is the Lamb(x7)
Righteous Righteous is the Lamb He's lovely, lovely, lovely, lovely, lovely, my God is lovely,
Lovely is the Lamb
