Girls Like Us

PINS

Do you see me like I see you?
you couldn't if you wanted to
you lust lust, because you must
It's all good for girls like us.
Now all my friends are enemies, and this place means nothing to me
I don't know who you think I am
no one will ever understand.
I think I've gone mad but, it was fun
I think I've gone mad but, it was fun
I think I've gone mad but, it was fun
I think I've gone mad but, it was fun...
Do you see me like I see you?
you couldn't if you wanted to
you lust lust, because you must
It's all good for girls like us.
I think I've gone mad but, it was fun
I think I've gone mad but, it was fun
I think I've gone mad but, it was fun
Girls like us
