

# Louden Boomer

## GG Allin

I see the lightning in the background, a little thunder in your roar  
I know you want it harder and faster, so louder and louder it goes  
We'll make you scream for mercy, we'll give you this and more

We'll blow out the walls and raise the roof, we'll give you a louden boomerLouden boomer makes you feel the thunder roar

Ear splitting like you never heard before

If you feel like screaming let me hear you say... hey!

Nobody's stopping us or getting in our wayC'mon lets scream for the Heavens, and shake the gates of Hell  
I'm the master of disaster, I wanna put you in my spell  
Coming down like a hammer, gonna cut you like a knife

We're gonna get so crazy, take it to the heightsLouden boomer makes you feel the thunder roar

Ear splitting like you never heard before

If you feel like screaming let me hear you say... hey!

Nobody's stopping us or getting in our wayLouden boomer makes you feel the thunder roar  
Ear splitting like you never heard before  
If you feel like screaming let me hear you say... hey!

Nobody's stopping us or getting in our wayI see the lightning in the background, a little thunder in your roar  
I know you want it harder and faster, so louder and louder it goes  
We'll make you scream for mercy, we'll give you this and more

We'll blow out the walls and raise the roof, we'll give you a louden boomerLouden boomer makes you feel the thunder roar

Ear splitting like you never heard before

If you feel like screaming let me hear you say... hey!

Nobody's stopping us or getting in our way
