

Been given 24 hours to tie up loose ends to make amends
 His eyes said it all, I started to fall
 And the silence deafened head spinning round, no time to sit down
 Just wanted to run and run and run
 Be careful, they say don't wish life away, now I've one day
 And I can't believe, how I've been wasting my time
 In 24 hours, they'll be laying flowers on my life
 It's over tonight, I'm not messing, no, I need your blessing
 And your promise to live free, please do it for me
 Is there a heaven, a hell and will I come back who can tell
 Now I can see what matters to me
 It's as clear as crystal, the places I've been, the people I've seen
 Plans that I made start to fade
 The sun's setting gold, thought I would grow old, it wasn't to be
 And I can't believe, how I've been wasting my time
 In 18 hours, they'll be laying flowers on my life

 It's over tonight, I'm not messing, no, I need your blessing
 And your promise to live free, please do it for me
 In 13 hours, they'll be laying flowers on my life
 It's over tonight, I'm not messing, no, I need your blessing
 And your promise to live free, please do it for me
 I'm not alone, I sense it, I sense it
 All that I said, I meant it, I meant it
 And I can't believe, how much I've wasted my time
 In just 8 hours, they'll be laying flowers on my life
 It's over tonight, I'm not messing, no, I need your blessing
 And your promise to live free, please do it for me
 In just 1 hour, they'll be laying flowers on my life
 It's over tonight, I'm not messing, no, I need your blessing
 And your promise to live free, please do it for me
