

# Underneath (Live from Australia)

Hanson

Waking up this morning, thinking this can't be real  
They say there is nothing love can't heal  
Why don't you come on down so you can feel, what I feel  
Sitting all alone in this place  
Even though we're here face to face  
There is nothing gone but something wrong  
Can't you see, that I'm stuck here, underneath  
And you're making hard to breathe  
Take a look around and tell me what you see  
You'll find me, underneath  
Underneath I know what to say but don't know where to begin  
The fear of losing you beneath my skin  
Is there resolution for this pain, that I'm in  
Sitting all alone in this place  
Even though we're here face to face  
There is nothing gone, but something wrong  
Can't you see, that I'm stuck here, underneath  
And you're making, hard to breathe  
Take a look around and tell me what you see  
You'll find me, underneath  
'Cause you'll still find me, oh ooh oh, underneath  
Oh yeah Oh ooh oh oh  
Oh if only you could feel what I dream  
Maybe you could hear what I mean  
There is nothing gone but there's something missing  
Can't you see, that I'm stuck here, underneath  
And you're making, hard to breathe  
Take a look around and tell me what you see  
You'll find me, underneath 'Cause I'm stuck here, underneath  
And you're making, hard to breathe  
Take a look around and tell me what you see  
You'll find me, underneath
