

Insomnia

Enter Shikari

Lets go!!

you

you!!!!

I only smoke weed when I need to
And I need to get some rest oh wheres the sex

I confess I burnt a hole in the mattress

Yes, yes that was me

I plead guilty

And on the count of three

I pull back the duvet

Make my way to the refrigerator

One dried potato inside

No light - not even bread

(Jammed)

With the light above my head went

(Bam)

I cant sleep

Somethings all over me

Increasing Insomnia please release me

And let me dream about making mad love on the heath

(Tearing off tights with my teeth)

But theres no relief

Im wide-awake in my kitchen

Its dark and Im lonely

Oh if I could only get some sleep

Creaking noises make my skin creep

I need to get some sleep

I cant get no sleep(Are you ready?)

(Are you ready?)
