A Star is Born

Daniel Antopolsky

Now if I ever get on television
Make a fool of myself on television
Just like I did on the radio

Oh when they asked me to sing out-loud, I got so nervous
The whole darn crowd started laughinâ€™ at me, Hi hi
Turninâ€™ upside down

When my heart beats fast, oh I get nervous inside
When my heart beats fast, I canâ€™t control myself
As for human beings, itâ€™s such a human thinâ€™
Trippinâ€™ up on the human scene

If I make a speech, I gotta read the words
Without the words, my speech gets blurred

Oh when the cold winds blow, gotta wear a hat
When I catch a cold, "Achoo!", Iâ€™m afraid of that

Oh give me women before men, they donâ€™t hit before they begin
Canâ€™t know the debt that anger lends
Donâ€™t hit the top before it spins

Got my feet propped up on the radiator
And kids skip by as if on roller skaters
Itâ€™s not for me, too much movinâ€™

High speeds and dazzlinâ€™ heights scare me like a pup
Canâ€™t keep a schedule â€˜til I tear it up

Oh get snagged by the escalator, Vertigo in the elevator
And jet-lag makes me drag

If horror movies makes us laugh
Thereâ€™s a monster in our grasp
And if bull-fights, oh bring delight
Just be a bull on bull-fight night

Now, if you get yourself on television
And make a fool of yourself on television

Donâ€™t feel alone, I wonâ€™t throw stones

If you get yourself on television
Grin to win on television
Donâ€™t feel forlorn
A star is born
And it could be you!
