Rock & Roll All night Lyrics: You show us everything you've got

You keep on dancin and the room gets hot

You drive us wild, we'll drive you crazy

You say you want to go for a spin

The party's just begun, we'll let you in

You drive us wild, we'll drive you crazy

You keep on shoutin, you keep on shoutin

I want to rock and roll all night and party every day

I want to rock and roll all night and party every day

I want to rock and roll all night and party every day

I want to rock and roll all night and party every day

You keep on saying you'll be mine for a while

you're lookin fancy and I like your style

You drive us wild, we'll drive you crazy

You show us everything you've got

Baby, baby that's quite a lot

And you drive us wild, we'll drive you crazy

You keep on shoutin, you keep on shoutin

I want to rock and roll all night and party every day

I want to rock and roll all night and party every day

I want to rock and roll all night and party every day

I want to rock and roll all night and party every day

I want to rock and roll all night and party every day

I want to rock and roll all night and party every day

I want to rock and roll all night and party every day

I want to rock and roll all night and party every day

I want to rock and roll
