Warrior

Pato Pooh

Vers1:
I?m never like whatever. If ever there?s a shot
Bet I?m on it like forever, always on the clock
Stay on the watch for my endeavors a cocky motherfucker
Like there is no one better, not now not ever
I?m a youngling in the game, but a legend in the making
All day breakfast like early morning bacon
I?m hungry for success and I?m starving for attention
All you wants a check, me I?m flowing for a pension
I?m a prophet that profits cheddar of his prophecies
The game I got it locked, yeah I call it my property
A warrior, ill come out and play any day
Any time, any were, I don?t care, you know why
Cus I?m a warrior

Chorus:
Because I am a warrior
Because I am a warrior
I?m a warrior
I?m a warrior
(x2)

Hear me out, me lion man shout. I never backed down.
IYeahy IYeahy IYeahy
Never afraid, to go my own way, you know I don?t play.
IYeah IYeahy IYeahy
(x2)

Vers2:
As long as I?m alive ill you?ll never see me retrieve
I?ll stand concrete firm till I d.i.e
On my feet cus on my knees is not an option to me
I?m a contender ill compete, till I no longer breath
I?m ranked commander in chief. Lead commanding elite
DDP leading squad, ask around in the streets
Over beats, we merk em all, work em all to defeat
If its beef, no heater needed, we go hard on ya teeth
So bleed. Goodnight lads cus even if white flags
Are waving up high that means nothing but white rags

See I?m a warrior, ill come out and play any day
Any time, anywhere, I don?t care, you know why
Cus I?m a warrior

Chorus
(x2)

Vers3:
I wont die for the gold, but ill die for the glory
So if I die with pride, then try not to morn me
Cus I went against the greats, never feared a giant
A lion amongst men, the king of my alliance
Immortality I?ll take it, they told me it was mine
I will forever be remembered as a killer whit these rhymes
This is where we hold up, here is were we fight
This is what I?ve told them. Here is they die.

Chorus
Because I am a warrior
Because I am a warrior
I?m a warrior
I?m a warrior
(x2)

Outro
