

# Rejoice

## Il Divo

Where did I misplace my faith?  
Where did I set it down?  
Which one, the day that I forgot  
What this was all about? And I came so close  
To throwing it all away  
But I'm taking it back again So come and rejoice  
Come and rejoice  
What was lost is found Cual es el dia en que olvide  
Mi fe y mi sentir  
Mi vida fue un sinvivir  
La quiero compartir Llegue a pensar  
Dejar todo y olvidar  
Pero vuelvo a empezar So come and rejoice  
Come and rejoice  
And you don't even have to make a sound I feel it in your touch  
You say it with your eyes  
What was lost is found So come and rejoice  
Come and rejoice  
What was lost is  
What was lost is  
What was lost is found  
What was lost is found
