

# Average Person (Demo)

## Paul McCartney

Look at the average person, speak to the man in the street  
Can you imagine the first one you'd meet? Well, I'm talking to a former engine driver  
(Driver)  
Trying to find out what he used to do  
Tells me that he always kept his engine  
(Engine)  
Spit and polished up as good as new But he said his only great ambition  
Was to work with lions in a zoo  
Oh, to work with lions in a zoo, yes dear, you heard right  
Told me his ambition was to work with lions every night Look at the average person, speak to the man on the  
beat  
Can you imagine the first one you'd meet? Well, I met a woman working as a waitress  
(Waitress)  
I asked exactly what it was she did  
Said she worked the summer crowd at Seasides  
(Seasides)  
Winter time she ran away and hid Once she had a Hollywood audition  
But the part was given to a kid  
Yes, the part was given to a kid, yes sir, you heard it right  
Hollywood ambition made a starlet grown up overnight [Incomprehensible] Well, I bumped into a man who'd  
been a boxer  
(Boxer)  
Asked him what had been his greatest night  
He looked into the corners of his memory  
(Memory)  
Searching for a picture of the fight But he said he always had a feeling  
That he lacked a little extra height  
Could have used a little extra height, yes mate, you heard right  
He always had a feeling that he might have lacked a little height Look at the average person, speak to the man in  
the queue  
Can you imagine the first one is you? Look at the average person
