

# Put Your Hands Up ( Brian Cua Extended Pride Mix)

## Kylie Minogue

Look around, I see a million different faces,  
but no one's looking in my eyes  
It takes a minute when I'm in these different places,  
to realize All we need is love in this life it's true  
All I need is the love I get from you  
And I wanna scream it out  
If you hear what I'm saying Put your hands up,  
if you feel love tonight  
If you feel love  
Now put your hands up,  
if you feel love tonight  
If you feel love  
No matter what we're going to take this moment  
Now come on baby, you can show me  
So put your hands up, if you feel love tonight  
If you feel love Everybody knows how life can get so twisted,  
but I won't let it bring me down  
There's no point in ever trying to resist it,  
just work it out All we need is love in this life it's true  
All I need is the love I get from you So put your hands up,  
if you feel love tonight  
If you feel love  
Now put your hands up,  
if you feel love tonight  
If you feel love  
No matter what we're going to take this moment  
Now come on baby, you can show me  
So put your hands up, if you feel love tonight  
If you feel love If your calling out tonight  
Let me hear it now  
Said, if your calling out tonight,  
let me hear it Now put your hands up,  
if you feel love  
Now put your hands up  
if you feel love So put your hands up,  
if you feel love tonight  
If you feel love  
Now put your hands up,  
if you feel love tonight

If you feel love No matter what we're going to take this moment  
Now come on baby, you can show me  
So put your hands up, if you feel love tonight  
If you feel love
