The Word Alive

You're heading south for the border
This is the site of the murder
This is the end, this is the end Cause this is the day, your life is gonna change
There's no escape, apology would be too late Cause you're heading south for the border
This is the site of the murder
Cause you're armed with hate and a handgun
Girl get in the car I'm riding shotgun You're armed with hate and a handgun
Girl get in the car I'm riding shotgun Dead men tell no lies
Oh, it wasn't me
Dead men tell no lies
Oh, it wasn't me But this is not, your last forgiveness
I'm not the one who holds the key
So lock it up, lock it up, lock it up
Hearts will break tonight, hearts will break tonight Cause you're heading south for the border
This is the site of the murder
Grab the handgun, I'm riding shotgun
Grab the handgun, I'm riding shotgun
We're abandoned, I feel abandoned
We'll avenge them, we'll avenge our... Dead men tell no lies
Oh, it wasn't me
Dead men tell no lies
Oh, it wasn't me But this is not, you're last forgiveness
I'm not the one who holds the key
So lock it up, lock it up, lock it up
