## Casanova Rodeo

## **The Word Alive**

You're heading south for the border

This is the site of the murder

This is the end, this is the endCause this is the day, your life is gonna change There's no escape, apology would be too lateCause you're heading south for the border

This is the site of the murder

Cause you're armed with hate and a handgun
Girl get in the car I'm riding shotgunYou're armed with hate and a handgun
Girl get in the car I'm riding shotgunDead men tell no lies

Oh, it wasn't me

Dead men tell no lies

Oh, it wasn't meBut this is not, your last forgiveness

I'm not the one who holds the key

So lock it up, lock it up, lock it up

Hearts will break tonight, hearts will break tonightCause you're heading south for the border

This is the site of the murder

Grab the handgun, I'm riding shotgun

Grab the handgun, I'm riding shotgun

We're abandoned, I feel abandoned

We'll avenge them, we'll avenge our...Dead men tell no lies

Oh, it wasn't me

Dead men tell no lies

Oh, it wasn't meBut this is not, you're last fogiveness

I'm not the one who holds the key

So lock it up, lock it up, lock it up
