

# Children's Story (feat. Rahzel)

## Everlast

Uncle Whitey, Uncle Whitey  
Can you tell us a bedtime story?  
Be right here, bed time thing  
Yeah, can you tell some bedtime stories  
PleaseOnce upon a time not long ago  
When people wore pajamas and lived life slow  
When laws were stern and justice stood  
And people were behavin' like they are too goodThere was a little boy who was misled  
By another lil' boy and this is what he said  
"Me and you, guy, we gonna make some cash  
Robbin' old folks and makin' the dash"They did the job, money came with ease  
But one couldn't stop, it's like he had a disease  
He robbed another and another, a sister and her brother  
Tryin' to rob a man who was a DT undercoverThe cop grabbed his arm, he started acting erratic  
He said, "Keep still, boy, no need for static"  
Punched him in his belly and he gave him a slap  
But little did he know that the boy was strappedHe pulled out his gun and said, "Why'd you hit me?"  
The barrel headed straight for the cop's kidney  
The cop get scared, the kid, he starts to figure  
"I'll do years if I pull this trigger"So he cold dashed and ran around the block  
Cop radios in to another lady cop  
He ran by a tree, there he saw this sister  
A shot for the head, he shot back but he missed herLooked around good and expectations  
So he decided he'd head for the subway stations  
But she was comin' so he made a left  
He was runnin' top speed till he was outta breathKnocked an old man down he swore he killed him  
Then made his move to an abandoned building  
Ran upstairs up to the top floor  
He opened up the door there, guess who he saw?Dave the dope fiend shootin' dope  
Who don't know the meaning of water nor soap  
He said, "I need bullets, hurry up, run"  
The dope fiend brought back a spankin' shotgunHe went outside but there was cops all over  
Then he dipped into a car was a stolen Nova  
Raced up the block doin' 83, crashed into a tree near university  
Escaped alive though the car was shattered  
Rat-a-tat-tatted and all the cops scatteredRan out of bullets but he still had static  
Grabbed a pregnant lady pulled out the automatic  
He pointed at her head and said "The gun was full of lead  
So the cops back off, or honey here's dead"Deep in his heart he knew he was wrong

So he let the lady go and he starts to move on  
Sirens sounded, he seemed astounded  
Before long the lil' boy got surrounded He dropped his gun, so went the glory  
And this is the way I gotta end this story  
He was only nineteen, in a madman's dream  
I saw the cops shoot the kid, I still hear him scream This ain't funny so don't you dare laugh  
Just another case 'bout the wrong path  
Straight and narrow or your soul gets cashed  
Good night [Incomprehensible]
