

Baby Come Back (feat. Ali & Robin Campbell)

Pato Banton

Come back
Baby come back
Come back
Baby come back This is the first time today
That you've run away
I'm asking you for the first time baby
Love me you love to stay
Stay
Stay
Stay Come back, baby come back
Come back
Baby come back
Bye bye bye bye be be bye bye bye I must admit I was a clown to be messin' around
But that doesn't mean that you have to leave town
Yes and give me one more try
Coz a love like this should never ever die
Yes with me colour t.v
And me cd collection of bob marley
Yes with me bag of sensi
And we can be together for eternity
