

Lucky Acid

Unwound

This is the mystery
The final count me out
The end of misery and mind me
No falloutDeath is of no concern
He's on an acid trip
This is the twenty-third
This is the lucky one
And why I kill myself?
And when I kill myself, is not of relevance
Because I will be god and it will never come
And it will not work out
And it will never count
And it will never count
This is the mystery
The final count me out
The end of misery and mind me
No fallout
Death is of no concern
He's on an acid trip
This is the twenty-third
This is the lucky one
This is the lucky one
This is the lucky one
This is the lucky one
This is the lucky one
