Going Nowhere

Little Mix

Sick of you playing on the Xbox thing
You're never gonna get me with the diamond ring
Look at you so confused
No you don't have a clue
I bet you think you got me goodSo tell me when's the last time you changed that shirt?
Instead of sitting here you should be going to work
Like I do for you, your down and it's not cool
Time for me to move on
Nothing I could do soLeave, you are not the boy you said you'd be
And it's so hard for me to breathe
How can I love you boy if you're going nowhere
We're going nowhereBye, don't have the strength to see you cry
I'm tired of asking myself why
How can I love you boy if you're going nowhere
We're going nowhereHow am I supposed to look at you like that?
When all you ever really do is hold me back
No more for sure
It's you who's out the door
I think I should press delete and clear my historyI got my ambitions, yes I dream so big
While I'm ticking boxes you'll be counting sheep
So you, do you and I'll be me
Time for me to move on
Nothing left to see soLeave, you are not the boy you said you'd be
And it's so hard for me to breath (it's so hard)
How can I love you boy if you're going nowhere
We're going nowhereBye, don't have the strength to see you cry (I don't wanna see you cry)
I'm tired of asking myself why
How can I love you boy if you're going nowhere
We're going nowhereI'm sick of dragging you up
All you do is pull me down
I wish you good luck as from now I ain't around
See, I can recollect every other rain fall
But I stayed here, unchanged, that's my only downfall (oh)
Little boy boy pull your trousers up, alright bruv
I deserve some respect (yeah)
Are you a man or a mouse?
You don't provide or protect
Stay stuck in the mud, I'll be on to the nextLeave, you are not the boy you said you'd be
And it's so hard for me to breathe

How can I love you boy if you're going nowhere
We're going nowhereBye, don't have the strength to see you cry
I'm tired of asking myself why
How can I love you boy if you're going nowhere
We're going nowhereBye (yeah) cry
I'm sick and tired of asking why
Why, you're going nowhere
We're going nowhere
