Omdurman

Sinkane

Finally, you're the ones I'll see
If I want to come with
'Cause you walked in front of me
And you walk to the side of me
Finally, you're the ones I'll need
And you won't disagree
Though you've fallen underneath,
I'm told you watch over me
You want to know I find the idea calming
I oughtta come and see it sometime
I know it'd be nice, by your side,
Every night, like you're by mine
Where, if I'm to settle down,
Will I finally settle?
Will I? Will I? Will I? Will I?
I want to know
For the sake of my soul
For myself, oh
