

Linda

Jerry Vale

When I go to sleep I never count sheep
I count all the charms about Linda
And lately it seems in all of my dreams
I walk with my arms about LindaBut what good does it do me?
For Linda doesn't know I exist
Can't help feelin' gloomy
Think of all the lovin' I've missedWe pass on the street, my heart skips a beat
I say to myself, "Hello Linda"
If only she'd smile, I'd stop for a while
And then I would get to know LindaBut miracles still happen
And when my lucky star begins to shine
With one lucky break I'll make Linda mineI count all the charms about Linda
I walk with my arms about LindaBut what good does it do me?
For Linda doesn't know I exist
Can't help feelin' gloomy
Think of all the lovin' I've missedI say to myself, "Hello Linda"
And then I would get to know LindaBut miracles still happen
And when my lucky star begins to shine
With one lucky break I'll make Linda mine
I'll make Linda mine
