

# My Kinda Lady

Wayne Wonder

The looks in your eyes come as no surprise  
The best thing you have for your own lady  
Makes me realize you won't compromise  
Things in your life to look shady There comes a time in life  
That you must be, oh you must be, yeah  
And by the vibes I find there's still  
A few good qualities You're my kinda lady, let it be me  
You wanna see eventually  
You're my kinda baby, I'm hopin' it's me  
You wanna love eternally You're my kinda lady, let it be me  
You wanna see eventually  
You're my kinda baby, I'm hopin' it's me  
You wanna love eternally I love how you dress and i'm so impressed  
The way that you carry yourself daily  
Even under dress and so much stress  
By dealing with your babies daddy But nothing can change my mind  
And I can't wait for you to be free, yeah  
'Cause I'll never find this kind  
So I wanna show what you're to me, yeah You're my kinda lady, let it be me  
You wanna see eventually  
You're my kinda baby, I'm hopin' it's me  
You wanna love eternally You're my kinda lady, let it be me  
You wanna see eventually  
You're my kinda baby, I'm hopin' it's me  
You wanna love eternally Your rainbow slows me and God I was choosin'  
When your arms it leads yeah  
You're so warm and cozy that girl you expose me  
To all the love I need You're my kinda lady, let it be me  
You wanna see eventually  
You're my kinda baby, I'm hopin' it's me  
You wanna love eternally You're my kinda lady, let it be me  
You wanna see eventually  
You're my kinda baby, I'm hopin' it's me  
You wanna love eternally You're my kinda lady, let it be me  
You wanna see eventually  
You're my kinda baby, I'm hopin' it's me  
You wanna love eternally
