

The Walker (GLOS Remix)

Fitz & The Tantrums

Ooh, crazy's what they think about me
Ain't gonna stop 'cause they tell me so
'Cause 99 miles per hour baby,
Is how fast that I like to go. Can't keep up with my rhythm
Though they keep trying.
Too quick for the lines they throw.
I walk to the sound of my own drum,
We go, they go, we go, hey yeah yeah yeah Oh, here we go
Feel it in my soul
Really mean it, mean it, so go
Gotta feel it, honey takes control
Really mean it, mean it I wake up to the city of angels
To see my name headlining the coast
They say I'm a walking dreamer, baby
If I stop they would make the show Can't keep up with my rhythm
Though they keep trying.
Too quick for the lines they throw.
I walk to the sound of my own drum,
We go, they go, we go, hey yeah yeah yeah Oh, here we go
Feel it in my soul
Really mean it, mean it, so go
Gotta feel it, honey takes control
Really mean it, mean it Hey, here we go
Feel it in my soul
Really mean it, mean it, so go
Gotta feel it, honey takes control
Really mean it, mean it Everybody walk
Everybody walk
Everybody walk, walk, walk Oh, here we go
Feel it in my soul
Really mean it, mean it, so go
Gotta feel it, honey takes control
Really mean it, mean it Oh, here we go
Feel it in my soul
Really mean it, mean it, so go
Gotta feel it, honey takes control
Really mean it, mean it
