Woman To Woman

Beverley Craven

Every time you get a new boyfriend
I don't see you for weeks on end
When I call 'cos I need to talk
I feel like I'm taking up your timeThere are things that I can only say
To a woman and face to face
But you're occupied almost every night
I've got a secret and I need adviceWoman to woman
He came and took possession
Now you never come around and talk
Woman to woman
No because I don't matter
Now you've fallen in loveTwo is company and three's a crowd
Like my father I'm much too proud
If it falls apart and he breaks your heart
There'll be tears on the telephone againAnd where are you when I'm the one who needs
Consolation while my heart bleeds?
Saying, "Look, it's late, can I break our date?"
Did no one tell you that it's give and take?Woman to woman
He came and took possession
Now you never come around and talk
Woman to woman
No 'cause I don't matter
Now you've fallen in loveWoman to woman
He came and took possession
Now you never come around and talk
Woman to woman
No because I don't matter
Now you've fallen in loveWoman to woman
He came and took possession
Now you never come around and talk
Woman to woman
He came and took possession
You've fallen in loveHe came and took possession
Woman to woman
Fallen in love
Woman to womanHe came and took possession
