

# Woman To Woman

## Beverley Craven

Every time you get a new boyfriend  
I don't see you for weeks on end  
When I call 'cos I need to talk  
I feel like I'm taking up your timeThere are things that I can only say  
To a woman and face to face  
But you're occupied almost every night  
I've got a secret and I need adviceWoman to woman  
He came and took possession  
Now you never come around and talk  
Woman to woman  
No because I don't matter  
Now you've fallen in loveTwo is company and three's a crowd  
Like my father I'm much too proud  
If it falls apart and he breaks your heart  
There'll be tears on the telephone againAnd where are you when I'm the one who needs  
Consolation while my heart bleeds?  
Saying, "Look, it's late, can I break our date?"  
Did no one tell you that it's give and take?Woman to woman  
He came and took possession  
Now you never come around and talk  
Woman to woman  
No 'cause I don't matter  
Now you've fallen in loveWoman to woman  
He came and took possession  
Now you never come around and talk  
Woman to woman  
No because I don't matter  
Now you've fallen in loveWoman to woman  
He came and took possession  
Now you never come around and talk  
Woman to woman  
He came and took possession  
You've fallen in loveHe came and took possession  
Woman to woman  
Fallen in love  
Woman to womanHe came and took possession
