

# Murder, Tonight, In The Trailer Park

## Cowboy Junkies

Murder tonight in the trailer park  
Mrs. Annabelle Evans found  
With her throat cut after dark  
Her pockets turned inside out  
Her dresser drawers turned upside down  
Anna's neighbor, Peg, identifies the body  
Lets out a hollow kind of sound  
Homicide is tying yellow ribbons  
Around her silver Air stream  
Red cherries slashing up the night  
Cutting through that cordoned crime scene  
There's been a murder  
In the trailer park tonight  
Murder tonight in the trailer park  
Pack your things Ann Marie,  
We're heading west  
We're going to make a fresh start  
I've been saving pennies,  
Been looking forward to this day  
No time for questions are you coming  
Or are you going to stay  
Crosstown at the Watertown  
George Evans is sitting tall and tight,  
Buying drinks for all the regulars  
Bragging about how them bones  
Danced for him tonight  
There's been a murder  
In the trailer park tonight  
Murder tonight in the trailer park  
Faceless man counting crumpled bills,  
Hotel neon fights the dark  
TV set in the corner, they're talking murder  
On the late-night news  
He turns down the sound,  
Waits for the sports,  
He only wants to know,  
'Did I win or did I lose'  
There's been a murder  
In the trailer park tonight  
Murder tonight in the trailer park
