

# Check Yes Juliet

## We The Kings

Check, yes Juliet, are you with me?  
Rain is falling down on the sidewalk  
I won't go until you come outside  
Check, yes Juliet, kill the limbo  
I'll keep tossing rocks at your window  
There's no turning back for us tonight  
Lace up your shoes  
Here's how we do  
Run, baby, run, don't ever look back  
They'll tear us apart  
If you give them the chance  
Don't sell your heart  
Don't say we're not meant to be  
Run, baby, run, forever will be you and me  
Check, yes Juliet, I'll be waiting  
Wishing, wanting yours for the taking  
Just sneak out and don't tell a soul goodbye  
And check, yes, Juliet, here's the countdown  
3, 2, 1, you'll fall in my arms now  
They can change the locks  
Don't let them change your mind  
Lace up your shoes  
Here's how we do

Run, baby, run, don't ever look back  
They'll tear us apart  
If you give them the chance  
Don't sell your heart  
Don't say we're not meant to be  
Run, baby, run, forever will be you and me  
We're flying through the night  
We're flying through the night, way up high  
The view from here is getting better  
With you by my side  
Run, baby, run, don't ever look back  
They'll tear us apart  
If you give them the chance  
Don't sell your heart  
Don't say we're not meant to be

Run, baby, run, forever will be  
Run, baby, run, don't ever look back  
    They'll tear us apart  
    If you give them the chance  
        Don't sell your heart  
        Don't say we're not meant to be  
Run, baby, run, forever will be you and me  
    You and me, you and me
