

# Sweet Dreams

## Elvis Costello & The Attractions

Sweet dreams of you, every night I go through  
I should hate you girl the whole night through  
Instead I'm having sweet dreams all about you You don't love me it's plain  
I should have known you'd never share my name  
Why can't I forget you girl, start loving someone new?  
Instead I'm having sweet dreams all about you Why can't I forget my past, start loving someone new?  
Instead I'm having sweet dreams all about you  
Sweet dreams of you, every night I go through  
I should hate you girl the whole night through  
Instead I'm having sweet dreams all about you
