

# Coming Home

Tamar Braxton

I'm in pain like a window  
It's getting harder to pretend oh  
'Cause it's like I'm living with a ghost  
Ain't nothing 'bout it natural  
When you touch me I don't feel a thing  
Conversations are one way  
This side of you I've never seen before, yeah What's got you acting so brand new?  
(Damn I'm so confused)  
This just isn't you Boy you look the same but I don't know you at all  
It's like your number changed 'cause you don't answer when I call, oh  
Did I say something wrong?  
Did I not put it on you?  
I'm living with a stranger  
You're lying here but it feels like you're gone  
I'm missing you come home (home)  
I'm missing you come home (home) Damn, I hate the distance 'tween the sheets  
A million miles 'tween you and me  
You know I never ever ever cheat  
But this ain't my man touchin' me  
I ask what's wrong, you say you're fine  
How dare you look me in my eyes  
'Cause you ain't never been that good at lyin', hoo oh What's got you acting so brand new?  
(Damn I'm so confused)  
This just isn't you Boy you look the same but I don't know you at all  
(I don't know you at all)  
It's like you're number changed 'cause you don't answer when I call, oh  
Did I say something wrong?  
Did I not put it on you?  
I'm living with a stranger  
You're lying here but it feels like you're gone I'm missing you  
So you can stop pushing me away, I swear  
And we're still in this together  
We're in this together, oh oh  
Let me be clear babe  
I'll do whatever just to find you  
To get you back where you belong, oh  
Oh oh oh Boy you look the same but I don't know you at all  
(But I don't know you)  
It's like you're number changed 'cause you don't answer when I call, oh

Did I say something wrong?  
Did I not put it on you?  
I'm living with a stranger  
You're lying here but it feels like you're gone  
I'm missing you come home (home)  
I'm missing you (home)  
Ooh I'm missing you (home)  
Ooh missing you  
Ohhaa mmm
