Comin' Round The Mountain

Funkadelic

Comin' round the mountain when she comes
Ridin' two white horses when she comes
Comin' round the mountain when she comes
Get out on the dance floor when she comesComin' round the mountain when she comes
Ridin' two white horses when she comes
Comin' round the mountain when she comes
Get out on the dance floor when she comesDoin' it, because we like it
Doin' it just for fun
Doin' it, because we like it
Doin' it just for funComin' round the mountain when she comes
Ridin' two white horses when she comes
Comin' round the mountain when she comes
Get out on the dance floor when she comesComin' round the mountain when she comes
Ridin' two white horses when she comes
Comin' round the mountain when she comes
Get out on the dance floor when she comesDoin' it, because we like it
Doin' it just for fun
Doin' it, because we like it
Doin' it just for funComin' round the mountain when she comes
Ridin' two white horses when she comes
Comin' round the mountain when she comes
Get out on the dance floor when she comesComin' round the mountain when she comes
