I Was Never Dead

Acrania

There's only one brief story
There's only one line
Why do you want to reach the limit?
This rope is getting too tightTolerance and compliance
It's a matter of perspective
You always want to be above
I cannot, I don't knowVerse
Why?!
I'm asking
Why?!
Why you'd deserve
If you never give
Anything back
I said why?!
I Ì•m asking why?!
Why should I listen to your point, your regrets and your crapNow your intimidation is over
There's no gun that can kill all this honor of mine
Run to hide, run to nowhere
You built your present, you believed
Your foundations of sand and your liesI will speak to you once
I will speak to you twice
I could even forgive but never forget
Life never repeats, not even mistakes
This movement will riseNo more useless tries
Walk side by side
Don't speak for me
Do not threaten me, no need for adviceToleration is over
Now I dictate what is rightWhy?!
I'm asking
Why?!
Why you'd deserve
If you never give
Anything back
I said why?!
I Ì•m asking why?!
Why should I listen to your point, your regrets and your crapNow your intimidation is over
There's no gun that can kill all this honor of mine
Run to hide, run to nowhere
You built your present, you believed

Your foundations of sand and your liesWhy?!
I'm asking
Why?!
Why you'd deserve
If you never give
Anything back
I said why?!
I Ì•m asking why?!
Why should I listen to your point, your regrets and your crapYour Policy is over!I'll save my pride
Save my name
I swear I did not die
It's just that they forget
