Real Life

The Crookes

Is this a dream or just a nightmare?
Am I a loser? Do I care?
I did it with ease,
I'll do as I please
When I was young I was so assured
Now I'm grown up I'm not so pure
I'm tired and bored and begging for more
No ambition; no drive
it's like there's something missing in you
Times so hard just get harder as you're waiting for that spark
Real life sucks me dry
I wanna sleep all through the day
this world will take the colour from your eyes
I wanna hide, I wanna hide away
and I see it in your face
you've made a bad mistake
Real life sucks me dryI wanna hide, I wanna hide awaya restless heart, I'm out for the count
a lack of sex, this nowhere town
Let's all raise a glass to hopeless romance.
No ambition; no driveit's like there's something missing in you
Times so hard just get harder as you're waiting for that spark
Real life sucks me dry
I wanna sleep all through the day
this world will take the colour from your eyes
I wanna hide, I wanna hide away
and I see it in your faceyou've made a bad mistake
Real life sucks me dry
I wanna hide, I wanna hide away
I'm giving up. I'm done with real life.
