

Sadman

Tytan

know there is
It all away
It all goes round
The house today
The reason why
You're leasing time
The sadman calls
He calls for you
The [need to be]
The sadman calls
He calls for you
The things you say
The songs that shine
For all the time
I count the ways
Your smile [the place]
The sadman calls
He calls for you
You hurt my feelings, [you needed me]
The sadman
He for you
