My Hopes and Dreams

jj

and i'm out...
when I'm out on the street
And I am looking
Looking for someone to share
My hopes and Dreams with
But no one is there for meWhen I step on the street at nigth
i am crying..
crying for someone to see
the importance of being free
that someone will never beAnd of course
therer is people out get me
but they don't have a trace
of me and my soul
riding out tonight.
