

That's All I Want From You

Dean Martin

A little love that slowly grows and grows
Not one that comes and goes
That's all I want from you
A sunny day with hopes up to the sky
A kiss and no goodbye
That's what I want from you
Don't let me down or show me that you care
Remember: when you give, you also get to share
Don't let me down; I have no time to wait
Tomorrow might not come when dreamers dream too late
Oh, a little love that slowly grows and grows
Not one that comes and goes
That's what I want from you
Don't let me down or show me that you care
Remember: when you give, you also get to share
Don't let me down; I have no time to wait
Tomorrow might not come when dreamers dream too late
Oh, a little love that slowly grows and grows
Not one that comes and goes
That's what I want from you
That's all I want from you
