Modest Mouse

Sometimes all I really want to feel is love
Sometimes I'm angry that I feel so angry
Sometimes my feelings get in the way
Of what I really feel I needed to say
If you stand in a circle
Then you'll all have a back to bite
Back logged voices on the 7 wonders
We're all so funny but he's lost his joke now
A communication from the one lined joke
A stand up comic and a rock musician
Making so much noise you don't know when to listen
Why are you judging people so damn hard?
You're taking your point of views a bit too far
I made my shoes shine with my coal
But the polish didn't shine the hole
If you stand in a circle
Then you'll all have a back to bite
Back logged voices on the 7 wonders
We're all so funny but he's lost his joke now
A communication from the one lined joke
A stand up comic and a rock musician
Making so much noise you don't know when to listen
Think it over
There's the air of the hype of the high rollers
We're coming to getcha
Think it over
You ain't got nothing 'til ya know her
