Cut Rides

Such Gold

This will forever be it.
The sun on the tip of your tongue.
But something is different - there's a whole new look to this.
We got it and we're taking it with us, and I smile.
This will forever be it.
The sun on the tip of your tongue.
Just a difference in outlook I guess,
But I know that I'm doing my best,
To be as happy as I can.
