## Feed Me & Yadi

Light upon the land  
Shine to guide a helping hand  
If we go slow we can go back  
If we go slow we can make it  
What we don't have, what we had then  
What we don't have we can take it  
Love, don't let me drown  
Why did you take our sail down?  
Left me here to fight  
All the demons in your mind  
See, see with my eyes  
How could you let me run aground?  
Now I'll never know  
When this ship will come home  
Buried beneath the sand  
All the minutes  
And all our plans  
If we go slow we can go back  
If we go slow we can make it  
What we don't have, what we had then  
What we don't have we can take it  
Love, don't let me drown  
Why did you take our sail down?  
Left me here to fight  
All the demons in your mind  
See, see with my eyes  
How could you let me run aground?  
Now I'll never know  
When this ship will come home  
(Now I'll never know  
when this ship will come home)  
(Oh, Oh, Oh, Oh, Oh, Oh)
