

I Don't Have To Try

Avril Lavigne

I'm the one I'm the one who knows the dance
I'm the one I'm the one who's got the prance
I'm the one I'm the one who wears the pants

I wear the pants

I'm the one who tells you what to do
You're the one, you're the one if I let you
I'm the one I'm the one who wears the pants

I wear the pants

Hey you, follow me

I'll take the lead, can't you see?

Don't you question me

You just do what I say

I don't care what you're saying

I don't care what you're thinking

I don't care about anything

Get ready, get ready 'cause I'm happenin'

I don't care what you're saying

I don't care what you're thinking

I don't care about anything

Get ready, get ready 'cause I'm on the scene

I don't have to try

To make you realize

Anything I wanna do, anything I'm gonna do

Anything I wanna do, I do

And I don't have to try

Don't you disagree

'Cause you know it's all about me

Be at my beck and call

I'ma know it all and it's all your fault

I don't care what you're saying

I don't care what you're thinking

I don't care about anything

Get ready, get ready 'cause I'm happenin'

I don't care what you're saying

I don't care what you're thinking

I don't care about anything

Get ready, get ready 'cause I'm on the scene

I don't have to try

To make you realize

Anything I wanna do, anything I'm gonna do
Anything I wanna do, I do
And I don't have to try
Try
I don't have to try
To make you realize
Anything I wanna do, anything I'm gonna do
Anything I wanna do, I do
And I don't have to try
