

# Black Heart

## Pistol Grip

Didn't see the plan cause your walking in self-restraint.  
Never ever thought you were a big disgrace  
Wonder why I hate the way I do?  
Imposters like you seldom see the truth. My whole hearts bleeding black, so I must go to hate the way  
My whole hearts bleeding black, so I must go to find a way,  
My Black whole hearts in half, so I must go to get away  
My whole hearts bleeding black, so I must go to make a way Finish what you started, ever heard of that before?  
They never talked of what you really saw  
Never thought that time would turn a fault  
But now your left alone with no where to go My whole hearts bleeding black so I must go to hate the way  
My whole hearts bleeding black so I must go to find a way,  
My Black whole hearts in half so I must go to get away  
My whole hearts bleeding black so I must go to make a way [Solo] My whole hearts bleeding black so I must go  
to hate the way  
My whole hearts bleeding black so I must go to find a way,  
My Black whole hearts in half so I must go to get away  
My whole hearts bleeding black so I must go to make a way My whole hearts bleeding black so I must go to hate  
the way  
My whole hearts bleeding black so I must go to find a way,  
My Black whole hearts in half so I must go to get away  
My whole hearts bleeding black so I must go to make a way
