

Dedicated to the One I Love

Laura Nyro

Each night before you go to bed my baby
Whisper a little prayer for me my baby
And tell all the stars above
This is dedicated to the one I love (life can never be exactly like we want it to be)
I could be satisfied knowing you love me
(but there's one thing I want you to do especially for me)
And it's something that everybody needs While I'm far away from you my baby
Whisper a little prayer for me my baby
Because it's hard for me my baby
And the darkest hour is just before dawn If there's one thing I want you to do
Especially for me
And it's something that everybody needs Each night before you go to bed my baby
Whisper a little prayer for me my baby
And tell all the stars above
This is dedicated to the one I love This is dedicated to the one I love
This is dedicated to the one I love
This is dedicated to the one I love
(this is dedicated)
